年

The image shows a grid for a progress chart. The grid is 40 rows high and 31 columns wide. The columns are labeled with numbers 1 through 31, representing days of the month. The rows are labeled with '月' (Month) on the left and '年' (Year) on the right. The grid is enclosed in a frame with dimensions: 1800 (width) and 890 (height). The grid itself is 1240 (width) and 720 (height). The grid is divided into four sections: a 30x170 section on the left, a 170x170 section, a 1240 (40x31) section, and a 160x30 section on the right. The grid is also divided into four vertical sections: a 30 section on the left, a 170 section, a 1240 (40x31) section, and a 160 section on the right. The grid is also divided into four horizontal sections: a 3.2 section at the top, a 139.8 section, a 720 (40x18) section, and a 27 section at the bottom.
